Hard Wire Nuts Assortments

This kit contains an assortment of hard wire nuts, 110 pieces total, handling wire gauges ranging from 22 gauge through 10 gauge that will handle two conductors on larger gauges and three conductors on smaller gauges.

This kit contains an assortment of hard wire nuts, 370 pieces total, handling wire gauges ranging from 22 gauge through 10 gauge.

Vinyl Step-Down Butt Connectors

Qty/Pkg.	Part No.	Insulation Color	Gauge
pkg/100	SDBB	Blue with Red Stripe	16-14 to 22-18
pkg/1000	SDBBA	Blue with Red Stripe	16-14 to 22-18
pkg/100	SDBR	Red with Yellow Stripe	8 to 12-10
pkg/1000	SDBRA	Red with Yellow Stripe	8 to 12-10
pkg/100	SDBY	Yellow with Blue Stripe	12-10 to 16-14
pkg/1000	SDBYA	Yellow with Blue Stripe	12-10 to 16-14

Step-Down Butt Connectors are used to join a pair of conductors to a third, all the same size or two conductors of different sizes. The smaller end is banded with the color code of the smaller or single conductor for easy installation.

Cool-Seal Butt Connectors

Cool-Seal Butt Connectors install within a fraction of the time it takes to install heat shrink terminals. The Cool-Seal adhesive molds around the wires to form a moisture-tight, secure electrical connection.

Qty/Pkg.	Part No.	Gauge
pkg/25	CSBB	16-14 GA
pkg/100	CSBBA	16-14 GA
pkg/1000	CSBB-K	16-14 GA

Weather Pack Seal / Cavity Plug

Qty/Pkg.	Part No.	Description
pkg/10	WPS-X	Grey Seal
pkg/10	WPCP-X	Cavity Plug

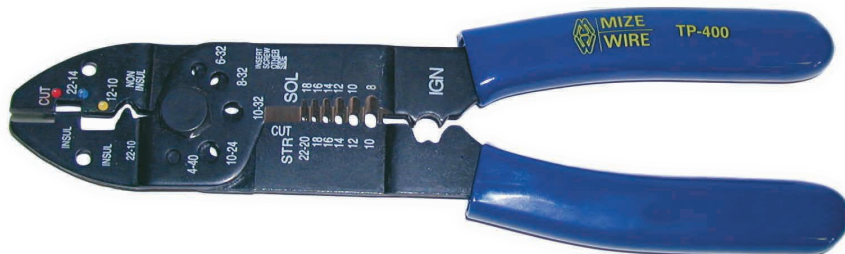

Terminal Pliers

Part No. TP200

Economy Grade Import

The Mize Wire crimping tool is able to crimp 26-10 gauge insulated terminals and 22-10 gauge non-insulated. The scissor action strips stranded 26-10 AWG and solid 18-8 AWG wire. The TP400 has two wire cutting stations and is able to cut 6-32, 8-32, 10-24, and 10-32 machine screws. It is also able to crimp 7-8mm ignitions terminals. (Not intended for continuous industrial use.)

Part No. TP400

Made In USA

Wire Stripper

Part No. WSC100

Wire Stripper

This hand-held unit will strip wire 22 through 8 gauge without nicking or damaging strands. Adjustable stop provides correct strip length regardless of wire gauge.

Wire Crimper

This Ratchet construction crimper assures a complete crimp cycle every time. Crimps insulated 22-18 gauge, 16-14 gauge and 12-10 gauge electrical terminals, with 3 color coded terminal slots.

Part No. TP1000

Ratchet Action
Terminal Crimper
